

TIP OF THE WEEK # 71

Patient Registration

Our policy states that all patients (inpatients and outpatients) provided service at the American University of Beirut Medical Center (AUBMC) shall be registered in the Hospital Information System, Master Patient Index (MPI) Database. *A unique identifier shall be assigned to every patient.*

The procedures for registering new patients and old patients are clearly described in the policy titled “Registration of Patients”.

For further information on the process of registration of patients, please review the policy thru the following link:
