

## **TIP OF THE WEEK # 78**

### **Dress Code**

**There are three policies at the AUBMC that address the way Medical Center staff should dress up while at work:**

- 1. Medical Staff and Medical Students should follow their policy Medical Staff and Medical Students Dress Code (*GLD-MST-002*)**
- 2. Nursing Staff should follow the Nursing Dress Code Policy (*NSG-GLD-001*) in the nursing policies and procedures manual**
- 3. Other AUBMC staff should go by the Dress Code Policy (*GLD-ADM-013*)**

**The above policies aim to promote the professional personal appearance of the AUBMC staff while providing care to patients.**
