

Saudi Delegation Visits AUBMC

A delegation from King Fahed Medical City in Saudi Arabia visited AUBMC on January 30. The delegation was headed by Dr. Abdullah Al-Amro, CEO, Saleh Al Turki, executive director and head of finance and administrative affairs, and Dr. Ali Al-Shanqeeti, director of Main Hospital. Peggy Hanna, director of the Health Education & Public Relations Department at the Ministry of Health, accompanied the delegation.

VP Nadim Cortas, Medical Center director, Munthir Kuzayli, associate deans, Dr. Adnan Mroueh and Dr. Fouad Ziyadeh, and the coordinator of External Programs, Fadi Bitar, welcomed the delegation. Dr. Mohammad Khalifeh, Minister of Health, attended part of the meeting and stressed the importance of the cooperation between Lebanon and Saudi Arabia in the health sector. The delegation toured many sections in the hospital, met a number of AUBMC physicians and administrators, and was

Saudi delegates, VP Cortas and Dr. Fuad Ziyadeh

informed about the various services provided.

The delegates praised the level of services provided by AUBMC, and stressed their interest in the cooperation between King Fahed Medical City and AUBMC.
