

Dear all,

The Standing Committee on Research Exchange (SCORE), part of the Lebanese Medical Student International Committee (LeMSIC), is organizing its second Research Day in collaboration with Alpha Omega Alpha (A.O.A.) and the Resident Staff Organization (RSO).

Date: April 19th, 2008

Time: 9 am till 1 pm

Place: Issam Fares Hall. American University of Beirut.

The activity is aimed at a series of presentations by AUB Faculty of Medicine researchers that will introduce faculty, staff and students to the ongoing basic, translational and clinical research at AUB Faculty of Medicine and will clarify the possibilities of graduate and student participation in these projects. The day will consist of oral presentations and a poster exhibition presented by professors, research assistants, graduate students and post doctoral research fellows.

We encourage you all to attend and we rely on your participation in ensuring the success of this event.

Best regards,

Ama Sadaka
