Subject: Appointment of Dr. Randa Barazi

It gives me great pleasure to announce the appointment of Dr. Randa Barazi in the Department of Otolaryngology – Head and Neck Surgery as an Instructor of Clinical Pediatric Otolaryngology effective September 1, 2013.

Dr. Barazi received the degree of Doctor of Medicine from AUB in 2007. She then completed one year of internship in Surgery and four years of Residency Training in Otolaryngology-Head and Neck Surgery at AUBMC. Following that she pursued one year of Fellowship Training in Pediatric Otolaryngology-Head and Neck Surgery at the Children’s Hospital of Michigan – Detroit Medical Center – Wayne State University, Detroit, Michigan, USA.

Dr. Barazi’s areas of specialty include management of the difficult pediatric airway and its reconstructive surgery, pediatric sinus surgery, pediatric otology and congenital neck masses and vascular malformations.

Dr. Barazi was elected to AUB Chapter of Alpha Omega Alpha Honor Medical Society in 2008.

She has several publications in her field and has given several presentations at meetings in the US.
Dr. Barazi will be involved in teaching Pediatric Otolaryngology to medical students and residents in addition to her clinical duties.

Please join me in welcoming Randa back to our Department and to AUBMC. For appointments she can be reached at extension 5800 and her pager # 0590.
